

HUMMER505 DRIVER

Just Smash the Ball with Hummer!

505cc-head crashes the ball with Golden Metal Rod Shaft !

- * The biggest MOI and sweet spot ever by 505cc !
- * The biggest cup face structure to pursue the ultimate COR & strength !
- * The short length of Golden Metal Rod Shaft transmits the Hummer power to the ball !
- * No more slice with a simple hammer swing !

SUPER COR
& MOI
